

And So It Goes

In every heart there is a room
A sanctuary safe and strong
To heal the wounds from lovers past
Until a new one comes along

I spoke to you in cautious tones
You answered me with no pretense
And still I feel I said too much
My silence is my self defense

Solo:

And every time I've held a rose
It seems I only felt the thorns
And so it goes, and so it goes
And so will you, soon, I suppose

Choir: Oohh

All:

But if my silence made you leave
Then that would be my worst mistake
So I will share this room with you
And you can have this heart to break

Solo:

And this is why my eyes are closed
It's just as well for all I've seen
And so it goes, and so it goes
And you're the only one who knows

Choir: Oohh

All:

So I would choose to be with you
That's if the choice were mine to make
But you can make decisions too
And you can have this heart to break

Doo doo doo doo, doo doo doo doo
doo dooo doo doo doo dooo doo doo
And so it goes, and so it goes

(slower)

And you're the only one who knows

Because/Across the Universe

Sop/Tenors/Altos: Jai guru, deva (repeat)

Because the world is round
It turns me on
Because the world is round
Ahhhh

Because the wind is high
It blows my mind
Because the wind is high

Ahh, love is old love is new (**Basses:** love is old love is new)
Love is all, love is you (**Basses:** love is you)
Love is all, love is you

Because the sky is blue
It makes me cry
Because the sky is blue

Ahhh, because the world
is round because (**hold, Basses turn long note into Om**)

Basses: Om

Sop/Tenors/Altos: Jai guru, deva (repeat)

Words are flowing out like endless rain into a paper cup
They slither wildly as they slip away across the universe
Pools of sorrow, waves of joy are drifting through my opened mind
Possessing and caressing me

Jai guru deva, om
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world

Jai guru deva (**repeat and fade**) **Basses:** Because (repeat)
